# Login no sistema

The image shows a login modal for Figma. The modal is white with a close button (X) in the top right corner. It contains a 'Continue with Google' button, an 'or' separator, an email input field, a password input field, and a 'Log in' button. Below the login button are links for 'Use single sign-on', 'Reset password', and 'No account? Create one'. The background is a blurred screenshot of the Figma website.

The screenshot displays the Figma interface in Prototype mode. On the left, two red rectangular frames represent different screens. The right-hand panel is divided into several sections for configuring the transition:

- Design** | **Prototype** | **Inspect**
- Interactions** (+)
- Drag → None (-)
- Tap → iPhone 8 - 2 (-)
- Scroll behavior**
- Position | Scroll with parent (v)
- [Show prototype settings](#)

An **Interaction details** panel is open, showing the following configuration:

- On tap (v)
- Navigate to (v) | iPhone 8 - 2 (v)
- Animation**
- Visual representation of the animation: a square frame labeled 'A' on a light gray background.
- >< Instant (v)
- State management**
